**NOTES:**

**Be Creative**

Literally say whatever you want.  
Be funny, be stupid, go nuts.  
Make opponents hate coming  
here. The only rule is no "F  
bombs". Feel free to draw  
inspiration from the Our  
strengths are in each other. Go  
CoY! Go Blue!

**Opposing Team Timeout**

When the opposing team calls  
a timeout, they will gather at  
their bench which is right in  
front of us! Take advantage!  
Make all the noise you can!  
Make sure they can't hear what  
their coach is saying! If you've  
been saving your voice, lose it  
here!

**We Are All Children of Yost**

Although the “cowbell crew” might seem *official* in the front row., anyone can start a chant at any time! This is YOUR student section. Don’t hold back! Don’t be afraid to mess up or stumble on your words. We’ve all done it.

**More on back****American National Anthem**

Scream the word “HAILED” when the song progresses to it. Like really really loud.

**Shorthanded noises**

When we clear the puck from our defensive zone when we’re on the penalty kill, make random high pitch noises. Annoying as possible please.

**Section Competition**

We might spontaneously have a competition to see which section can say “(Goalie’s name) sucks!” the loudest. \*eyes emoji\* Make sure your section doesn’t lose!

**SONGS:****Canadian National Anthem**

To respect Canadian players, and hockey in general, we also sing the Canadian National Anthem, 10 minutes before puck drop.

“Oh Canada,  
Our home and native land,  
True patriot love, in all of us  
command,  
With glowing hearts, we see  
thee rise,  
The true north strong and free,  
From far and wide,

Oh Canada, we stand on guard  
for thee,

God keep our land, glorious  
and free,  
Oh Canada we stand on guard  
for thee,  
Oh Canada we stand on guard  
for thee”

**Michigan Alma Mater**

At the end of each game, we  
stay to sing our Alma Mater.

“Sing to the colors that float in  
the light,  
Hurrah to the Yellow and Blue,  
Yellow the stars as they rise  
through the night,  
And reel in the rollicking crew,  
Yellow the field where ripens  
the grain,  
And yellow the moon on the  
harvest wain,  
Hail!  
Hail to the colors that float in  
the light,  
Hurrah for the Yellow and Blue”
